

Annex 1 Market Analysis Tables (Excluding North Wales)

Contents

Placements by funding stream	3
Occupied beds by funding organisation	
Placements by organisation	6
Care Homes by sector.....	10
Registered beds by sector	13
Care Homes with vacancies.....	15
Care Homes with vacancies by sector	17
Vacant beds per category of care.....	19
Waiting list information.....	23
Waiting list information by home registration status (category of care).....	24
Placements by type of placement	27
Out of area placements	29
Out of area placements by reason	30
Out of area placements by category of care	33
Out of area placements by category of care and reason - Residential	36
Out of area placements by category of care and reason - Residential EMI	39
Out of area placements by category of care and reason - General Nursing	42
Out of area placements by category of care and reason - Nursing EMI	44
Care homes with an embargo in place.....	46
Care Homes with embargos by category of care	47

Care Homes by category of care.....	50
Registered beds by category of care	52
Placements by category of care	55
Placements by nature of placement	57
Average age of clients	61
Age of clients at start of placement	62
Age of clients at census date	65
Age of clients at start of placement	68
Average age of clients at census date by category of care	73
Average length of placements by category of care	74
Third party payments	75
Placements with third party contributions by category of care.....	78
Cost of third party payments.....	81

Table 7 (a) Placements by funding stream

Note: 14 of Swansea's placements have no funding stream. They are short-term, free reablement placements.
